

DR. LISA BRIN DC INC. MONTHLY MEMBERSHIP AGREEMENT

Welcome to my our discounted monthly auto-debit program! At \$59 'routine visit, this is a steal of a deal. A few pointers for you to understand (the fine print) ...Following these pointers, your receipt is included at the end of this document.

Fine Print:

1. If you don't use it you lose it.

Designed to keep you up to date with your healthcare, please come in monthly OR you can save up two months and come in for a full hour every other month. ***This plan does NOT allow you to roll over visits to two months later*** so please keep up with your visits so you don't lose any visits by forgetting to come in! Not to worry, I've signed you up for a monthly reminder email.

2. Duration of Plan: 1/2 Year Minimum.

This plan is good for a 6 month minimum. It does not automatically cancel at 6 months.

3.Cancellation Policy: Cancel anytime afterwards by phone, email or in person. I will send you confirmation that it has been cancelled.

3. You're Grandfathered In (but cannot re-sign once terminated).

As I am no longer offering it to new clients in 2022 , I recommend holding onto this plan. If you decide to cancel this plan, it terminates the auto debit option for your care. This means that you will be unable to get back onto it. The plan is set-up on my end to be easy turn-key billing system that takes the worry and time out of it for both of us. With this said, I appreciate clients who don't want to cancel it and then restart it every month. Sadly, I had to create this rule as it was being abused too much. Big life events do happen (moving to a different state, becoming a parent, major accidents, second jobs, etc). I understand if you have a major event that terminates our agreement early. Please just let me know so I can help out as best I can.

4. If you have any questions, I'll be happy to help. I look forward to keeping you in peak shape. Book in as needed and I'll see you soon!
